Re: Delta Mine
Surety
ACT/015/020

Dear Mr. Mecham:

The Division is in receipt of what appears to be two forms of surety for the Delta Mine in Emery County, Utah. The Division has in its possession a check for the amount of \$7,440.83 from Utah West Mining and Development drawn from First Security Bank. We also have an escrow agreement from your company. Please inform us as to which form of surety you prefer.

If you wish to choose the escrow agreement please have the MR Form 7b signed by the bank manager. Forms MR 7a and 7b are returned to you because of the lack of this signature. Also, the escrow account must be brought up to date. If this is done your above-mentioned check will be returned.

If you choose the cash bond agreement please complete Form MR 5 and return it to the Division.

Thank you for your cooperation.

Sincerely,

K. Michael Thompson
